

# Supervision Policy of Letterfrack NS

## Introduction

This policy was formulated in August 2012. It applies to all staff and children during school hours, break times, and on all school related activities. This policy was reviewed in March 2018.

## Rationale

The rules for National Schools 121(4) and 124(1) obliges teachers to take all reasonable precautions to ensure the safety of pupils and to participate in supervising pupils during school time and during all school related activities.

Legislation such as the Health Safety and Welfare at Work Act and recent Court judgments have placed a "duty of care" and accountability on schools that must be underpinned by a policy covering all possible eventualities.

## Relationship to the Characteristic Ethos of the School

This policy is in keeping with the school ethos of providing a **safe and secure environment** for learning for all pupils and the wider school community.

## Aims and Objectives

- To develop a framework that effectively ensures, as far as is practicable, the **safety of children** while at play on the yard or while engaged in school related activities
- To observe and monitor behavioral patterns outside the confines of the classroom
- To contribute to effective school management and comply with relevant legislation.

## School Procedures

- It is the policy of the school to supervise the school yard at all times during regular lunch breaks i.e. 11.00am to 11.10am, 12.30pm to 1.00pm. Teachers assume a duty of care at 9.10am. The Board of Management informs parents at the beginning that the school does not accept responsibility for pupils dropped off earlier than 9.10am
- A Rota for supervision is drawn up by the Deputy Principal in consultation with Principal/staff and this Rota is displayed on the staff room notice board.
- Rules of the school yard are reviewed and revised continually and communicated to children regularly
- Supervision duties are not compulsory and teachers have the option of opting out if they so desire. The Principal is responsible for maintaining the Register of Supervision and making returns to the Department of Education in relation to the 37 hour contracts
- Visibility: Teachers will ensure that children are visible in the school yard. Children will not be allowed to spend time in classrooms or toilets where they would not be under adult supervision. Toilets by the infant room are to be used during break. Children are not permitted to the front of the school or in the main school building during break. They are not to leave the school yard or to engage with adults who are outside of the school yard.
- On wet days children remain in their classes under the normal supervision Rota. Children from senior classes may assist the class teachers. For Health and safety reasons all children are to remain seated unless permission is given otherwise. Children have a choice of reading, drawing in a drawing pad or watching an age appropriate DVD.

- If parents indicate a worry about a particular child on the yard all teachers rostered for yard duty are informed of the concern so that the particular concerns can be addressed satisfactorily.
- The school Safety Statement lists all hazards on the school yard and supervisors are accordingly briefed.
- After each break the children line up in an orderly manner outside their assigned door until their teacher comes to guide them into their room. A 6<sup>th</sup> class student may assist the Infant teacher. If children are called in early from play due to poor weather conditions, they must **walk** quietly into their classroom without lining up.
- Teachers taking a course day can swap supervision duties with a willing colleague. If a teacher is unexpectedly absent a volunteer colleague will assume his/her duties in a reciprocal arrangement
- Children with injuries/complaints are dealt with directly by the teacher on yard duty. Children are not permitted to report directly to the staff room if there is an incident on the yard
- First Aid boxes and Accident Report books are kept as a matter of procedure
- If children remain uncollected after 3.00pm, the school always ensures that a duty of care is provided until a parent/guardian calls.
